THEMED DINNER

CLUE D'OH MURDER MYSTERY**FOLLOWED BY PARTY DISCO**

FRI
15th

Clue D'oh is our tribute to the legendary board game Cluedo. You are all guests of Dr Black, a famed scientist, in his country house. Other guests include his niece Rayne Bowe, the dashing Captain Brown, Reverend Green and the mysterious Ruby Charms. Sherrie Trifle, Dr Black's loyal cook and housekeeper, is bustling around making sure that everyone is looked after. Suddenly the peace is shattered by the arrival of DI Willie Catchem. Dr Black's body has been discovered in nearby woodland. At first glance it appears to be a suicide, but DI Catchem's finely honed instinct soon rules this out and the case turns into a murder enquiry. Clues are found and we soon find ourselves delving into the murky back stories of some of these characters.

All have a motive; all have a method and one of them is a murderer! We finish with a disco, so don't get murdered please as we need you on the dance floor.
