Be part of the hotel with more legend and history of Spain.

Overlooking the city of Granada, 5 minutes walk to the royal palaces of the Alhambra.

Since 1910 the hotel has been a symbol of luxury, pleasure, elegance and hospitality at the highest level. Inspired by the beautiful Nasrid palace, it is an ode to attention to detail. More than a century of history to live a unique experience in an emblem

Updated in 2020, enjoy the luxury of resting in a palace surrounded by the Alhambra Forest, only 10 minutes walk to the city center.

Discover our prestigious cuisine Andalusian roots, season and proximity. Our products are grown in our own organic urban garden, which we accompany with a surprising wine list. With the elegance of an arab palace and admiring the incredible sunsets of Granada.

We offer excellent gastronomy and relaxation on our terraces and balconies, and we also hold events and incentives in its spectacular panoramic lounges, keeping the original decoration, but offering the latest technological advances of the XXI century.

Restaurant & Terrace

Restaurant "Príncipe"

Andalusian cuisine considers food as a source of life, nutrition and healing. It unites flavours and sensations, making eating well a pleasure for life and the senses. At the Hotel Alhambra Palace we recover recipes, which are a gift from the past, updated and renewed for our guests.

To guarantee seasonal and local products, the Alhambra Palace Hotel has developed and implemented an urban organic garden.

Panoramic Terrace

Let yourself be captivated by the magic of our panoramic terrace.

You will enjoy sunsets, starry nights, Andalusian and Mediterranean cuisine based on local produce and our own ecological gardens.

You will be able to toast these memorable moments with carefully selected cocktails.

Meetings & Events

Unique & original meeting rooms from 1910 that are part of the history of Granada and Spain, as they have hosted the main events of our city in the last 112 years.

Neo-Nasri decoration with muqarnas, plasterwork, coffered ceilings and tiles, perfectly preserved thanks to the protection as a cultural space. Natural light in all of them except in the Theater Hall, and all the technical needs required for today's events.
