## WELCOME TO THE BANIA HOTEL

The Bania Hotel Thermal & Ski means so much more than family relaxation only. Bear in mind, it's one of the largest conference centres in all of the Podhale region, with as many as 1500 m<sup>2</sup> of space. At your disposal, there are 14 conference halls which you may arrange as it suits you the most, a conference reception and even a spacious foyer. The gastronomic facilities, together with the well-integrated communication route, provide a quick and smooth catering service. All the conference halls are fully automated and air-conditioned. They have access to the Internet, daylight and certainly stand out against all the other conference halls around with their unique interior design, bursting with the Podhale accents, and the typical highlander architecture. Since the space arrangement palette is pretty wide, indeed, the Centre can easily adapt to every sort of event and our staff is always more than glad to take care of a trouble-free course of your meeting at every single step you take.

## BCC RECEPTION

The Bania Conference Center has its own individual reception with a clock-room as well as all the sanitary facilities and a separate passage leading you up to the hotel part. Separate reception stands can be arranged for every event individually, including the advertising-information stands and Digital Signage systems. Our offer includes three basic stands, yet we can arrange five additional ones so that large numbers of Guests can be checked in within a short period of time.

## FOYER

Foyer is a place where our Guests can enjoy freshly brewed coffee and relax in comfy armchairs. The arrangement palette of this zone is extremely wide, thus, it's a suitable choice for exhibitions, banquets and promotional campaigns alike. The foyer has direct access to a spacious outdoor terrace with a passage leading you up to the green zone. It can serve as a separate exhibition space or be joined together with the conference halls for a larger banquet – exhibition space.

## WIERCHY HALL

Modern design combined with the cold simplicity of stone and the highlander design. The Peaks' Hall (Wierchy Hall) offers a wide palette of space arrangement options to choose from. As many as seven individual rooms can be separated here, each of them equipped with intelligent multimedia devices

## THERMAL POOLS Terma Bania

The Bania Thermal Pools are the place of ultimate relaxation. Here your vitality is restored, your mind finds its peace and your soul is still. Thanks to a high concentration of minerals, these waters effectively regenerate your skin and muscles. The facility is divided into three zones – Fun, Relaxation and Saunarium. The Fun Zone is where the youngest shall thrive. Slides, an air-blown inflatable playground, water slides or water cannons will certainly be a great deal to their liking. Who's yearning for peace and silence, should choose the Relaxation Zone. And last but not least – our Saunarium will warm you up and strengthen your immune system.

Thermal water, warmth, nature, healing powers and the Tatra views - here are the Thermal Pools put in a nutshell.
